June 2011 Newsletter

Presidents Corner: Summer is in full swing and the ATV trails are busy. With the new trail to Animal's Bear Trail and the upgrades to Wildwood Trail Townsend is really seeing an upswing in traffic. Since we did not have a meeting in May there are no minutes attached this month but check out all the stuff going on in our area the next few months.

June Meeting, Club Ride and Fundraiser: On Saturday June 25 Red Arrow will have a full day of activities. The day starts with a club meeting at 9AM at My Bar/Birch Hills Resort. After the meeting the club will host an ATV/UTV ride in the surrounding area that will last about 3 hours. From 1PM to 5PM there will be a Family Fun Day/Beach Party at Birch Hills. Music, Food and Raffles for the benefit of the Townsend/Lakewood Ambulance Service will be held on the beach. The public is invited...we hope most of you will be able to attend this great new summer event.

ATV Safety Course Scheduled: Red Arrow will again conduct a safety course for riders of any age on Wednesday July 6th and Thursday July 7th. The course will be held from 5:30PM to 9PM ...attendance both evenings is required. The \$10.00 DNR fee will be waived for all Red Arrow members and their children but pre-registration is required. Anyone born after January 1st 1988 must take the course to ride legally anywhere in the State of Wisconsin. E-mail John Brantmeier at jbrantmeier@athenet.net for additional information. Class will be limited to the first 30 persons who register so act ASAP. The DNR posts classes on their website and they are open to the general public on a first come first served basis. As of June 10th there were still about 14 seats available...register as soon as possible.

New Storage Building: By the time you receive this newsletter the building should be fully framed and getting ready for the steel. A big thanks to Kroll Excavating (Jeff Kroll Trail Boss) for doing the site prep work at a greatly reduced rate. Also thanks to club member Mark Stehula, owner of Complete Plumbing in Appleton, for spending the better part of two Saturdays doing the catch basin and drain work for no labor charge. Finally long time member Frank Erler and his Erler Concrete team did a great job on the concrete floor for the building. Frank gave the club a good sized discount for his work and we thank him.

Corn Roast Tickets and Worker Sign up form: We are starting early this year on promoting our big Corn Roast event. Jim and Barb the new owners of Barb's Valley Inn are excited to again host the event on the Saturday of Labor Day weekend. The ATV/UTV parade will start at 10:30 at Townsend Shell with the Corn Roast going from 11AM to 6PM. Jim and Barb are continuing the fun into the evening with two great bands so plan now to attend. With the price of diesel fuel and no increase in DNR monies for 10 years our budget is stretched thin. Our fundraisers are vital to the economic success of the club. Last month we sent out raffle tickets for the event..... ***Do your part...all tickets returned by July 4th will be eligible for an early bird drawing for a Red Arrow Fleece...your choice of size and red or black color.*** Again, we know it is planning way ahead but if you can let us know when you can help that day it will be greatly appreciated. If you have any questions e-mail Annetta Janda at w_janda@yahoo.com (there is an underscore _ between the w and j as in w_j) or give her a call at 715-850-1633

Club Clothing: We are looking for a club member to take care of the clothing program. For now if you are interested in club apparel e-mail jbrantmeier@athenet.net for information on what is available. .

Website: Don't forget to visit www.redarrowtownsend.com for the latest club news, and links to lots of other information. We update often and post the date of the latest update on the home page. E-mail club secretary Mary Stehula at mjsteh@hotmail.com if you want to switch from snail mail to e-mail communications with the club. If you are not happy with the e-mail version you are welcome to switch back to snail mail...let Mary know.
